

## LILLIE PARK KEEPS GROWING!

The area on the map referred to as Lillie Central was purchased in the fall of 2007. The land acquisition added an additional 25 acres to the park for a total of 149 acres. If you have not visited the park yet, your parks and recreation department encourages you and your family to visit and explore. There are miles of nature trails, 2 lakes, a boardwalk, wildlife viewing areas, picnic pavilions, playground structures, irrigated soccer fields, 2 fishing docks, educational/interpretive signage throughout the park, 2 parking areas and restrooms facilities. You will be amazed by the size, beauty and recreational opportunities Lillie Park offers. Start your journey at the interpretive pavilion at Lillie South!
